Testing Day Information:

We recommend that you select a test time that works for you and **plan on attending, as you would with any in-class exam**. You can *make, change, or delete your reservation up to ten minutes before the session* starts. Be sure to check seat availability before attempting to change your testing time.

Remember that **a physical, valid photo ID is required for testing**, and no electronic forms of ID will be accepted. Additionally, we advise that you arrive at the Triton Testing Center - AP&M B349 ten minutes before your scheduled test time to allow for check-in. **All personal belongings, except your photo ID and a writing utensil, must be stored in the lockers located in the elevator lobby** before entering the testing room.
